

St. Joan of Arc School Excellence in Education Fund 2012-2013

St. Joan of Arc School is a ministry of St. Joan of Arc Parish and “*a vital part of the teaching mission of the church.*” We have the dual task of passing on our faith and traditions to our students while providing them with a first-class education to prepare them to be God’s stewards in the world. The above fund has been initiated to provide for designated needs important to the educational needs of the students.

While the core values of our faith will always be at our center of existence, the means for accomplishing faith education, to be effective, must match the world for which we are preparing our students. Blessed William Chaminade, founder of the Marianist order, said that “new times call for new methods.” We hope that you will help us in our goal of providing resources that will help our students be prepared for their “new times.” For it is not our past for which we prepare children, but for their future.

The following is a list of current wishes:

- **Mobile Laptops or Tablets** to expand technology use for classrooms.
- **Updated computers** for the classrooms.
- **Assemblies and Special programs** to enhance academic program.
- **Accelerated Math Program** to assist students in mastery of math fundamentals.
- **Science Lab Furniture**
